Kevin,

Just a quick note in support of changes suggested by Melanie Feldmuller. I realise that it is past the due date for submissions, but I have been on the road and out of internet range until last night. I do not have time to type up the changes and submit them. Suffice to say that I have discussed all the issues with her and Phil Gee from Rural Solutions in SA, and am happy with the suggested changes. My apologies for the late notice.

Kind Regards
Peter.
